FIG. 1

A block diagram illustrating a control system for a vehicle engine. The diagram shows the following components and their interconnections:

- 10**: A base or chassis block at the bottom.
- 13**: A component on the left side, connected to the base.
- 9**: A component on the left side, connected to the base.
- 16**: A horizontal line or bus connecting the left side components to the rest of the system.
- 3**: A central processing unit or controller, connected to the bus **16**.
- 11**: A component connected to the central unit **3**.
- 12**: A component connected to the central unit **3**.
- 8**: A component labeled "EEPROM" connected to the central unit **3**.
- 14**: A component connected to the central unit **3**.
- 7**: A component labeled "J-CPU" connected to the central unit **3**.
- 15**: A component labeled "RELAYING DEVICE" connected to the central unit **3**.
